Accessories (optional)

RK60SK

4 wheelbases for flight cases

- Engineered in plywood with black finish
- 4 swivel casters (2 with brakes)
- Compatibility: RKL60/63 series

Accessories (optional)

RK90SK

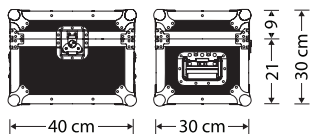

4 wheels base for flight cases

- Engineered in plywood with black finish
- 4 swivel casters (2 with brakes)

FCG35

Sturdy flight case for generic use

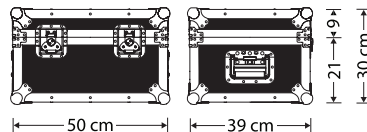

- Engineered in 9 mm plywood
- Laminated plastic covering, black inner painted
- Aluminium draw pieces, steel handles, butterfly locks
- Inner ethafoam stuffing
- Measures (WxHxD): 400x300x300 mm

FCG58

Sturdy flight case for generic use

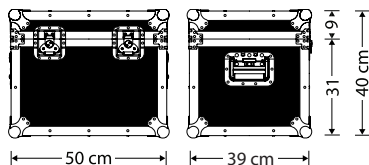

- Engineered in 9 mm plywood
- Laminated plastic covering, black inner painted
- Aluminium draw pieces, steel handles, butterfly locks
- Inner ethafoam stuffing
- Measures (WxHxD): 500x300x390 mm

FCG78

Sturdy flight case for generic use

- Engineered in 9 mm plywood
- Laminated plastic covering, black inner painted
- Aluminium draw pieces, steel handles, butterfly locks
- Inner ethafoam stuffing
- Measures (WxHxD): 500x400x390 mm

FCG118

Sturdy flight case for generic use

- Engineered in 9 mm plywood
- Laminated plastic covering, black inner painted
- Aluminium draw pieces, steel handles, butterfly locks
- Inner ethafoam stuffing
- Measures (WxHxD): 590x400x500 mm
